Lowther Creatives

Lowther Creatives is a programme of community training work designed to offer both younger and older people the chance to gain new skills and meet new people.

Our Lowther Youth Theatre offers 4 – 16 year olds interested in acting, the chance to experience performing onstage. Whilst our technical training course is aimed at those 14+ wanting to know more about the backstage aspect of theatre and live events.

Whether it's our Lowther Youth Theatre, Adult Drama Sessions or Technical Training Course, we're proud to be building a body of work that invites the community to become part of our story.

Celebrate a loved one with  
Remember Me

*Remember Me* celebrates all those we've loved and lost by turning the Lowther Gardens in Lytham into a sea of blue for a few short weeks in the Spring every year.

Bluebells can be purchased at £5 each and you can either choose to join our gardeners to plant them or have them planted on your behalf. The next planting day will be Saturday 24 September at 11am.

By purchasing a bluebell you are also helping us take one step closer to our redevelopment target.

For more information or to purchase a bluebell, please visit our website or scan the QR code below: [lowtherpavilion.co.uk/remember-me](http://lowtherpavilion.co.uk/remember-me)
